

12-Premade pouch packing Machine

High-efficiency premade-pouch packaging machine with cost-effective price. Various optional weighing and filling systems are available for liquids, powders and solid products.

Max speed
30-60

Weight
450KG

Bag width
80-220mm

Air Pressure
0.6mpa-
0.8mpa

Bag length
100-260mm

Power Supply
2.3 KW

Filling range
5-1000

Feature

- Automatic Pick -and- Place bag in-feed system
- Siemens PLC control with touch- screen operation
- Multi-Language HMI
- Date Coding function
- 304 stainless steel frame
- Product presence detection – no pouch no filling, no sealing
- Two- step sealing process for Reliable clean seals

Option

- Various filling systems for powder, granule, liquid, snacks, herbal or other customized products
- Zipper -opening & Sealing device
- Metal detectors
- Checkweigher
- Bag deflators
- Dust -suction nozzles and dust collector
- Material in-feed conveyor
- Collating discharge conveyor
- Ethernet connectivity
- Automatic desiccant & spoon feeding station
