

Double Side Labeling Machine

Product Datasheet

Double side Labelers automate precise identification, branding, and tracking on diverse surfaces across food, pharma, logistics, and industrial sectors.

Model	DZ320C
Labeling Speed	20-80/min
Labeling Accuracy	±1mm
Labeling Size	H≥10mm, 15≤W≤140mm
Machine Size	2200x900x1400mm
Weight	350KG
Material	304 Stainless Steel
Power	1.5Kw

Features

- Mitsubishi PLC control system
- Precise labeling position
- Tool-free adjustments
- No-product-no-labeling detection
- Fault alarm system
