

Shrink Wrap Machine

Product Datasheet

This machine is essential for bundling multi-pack items (e.g. beverage cans, boxes). It applies heat-sealed film to secure products during transit and retail display.

Model	450+4522	550+5030	650+6040	750+7050	850+8060
Packing Speed	15-30/min	15-30/min	15-30/min	15-30/min	15-30/min
Sealing Knife	450mm	550	650	750	850
Weight	400/320KG	400/350KG	400/450KG	400/500KG	400/550KG
Total Power	1.5Kw/18KW	1.5Kw/18KW	1.5Kw/20KW	1.5Kw/24KW	1.5Kw/24KW
Supply Film	POF	POF	POF	POF	POF

Features

- Teflon-coated high-temp sealing knife
- Digital PID temperature control
- Auto film feeding with EYE/Timer
- Anti-miscut safety protection
- Imported electrical components
- Auto/Manual mode switching
- POF film compatibility
